**TFR Stage, Bring You A Colorful Life!**

## PROFESSIONAL POWER

## >>>Company profile

Topfinger Equipment (Shenzhen) Co.,Ltd is the wholly-owned subsidiary of Shenzhen Events Group Group. It runs a professional flight case, stage system and truss facilities in manufacturing and marketing. Currently, TFR have three manufacturings bases in Taishan, Dongguan, Foshan respectively with more than 1000 employees. With 14 years of experience in audio & staging business, as well as continuously creative new production, TFR's products have been up to the international standards. Its China sales headquarter locates in 2802 WorldTradePlaza, Futian District, Shenzhen, China.

Line up with the goal "One case, Racking the world", TFR supplies high quality service for customers. Take the "brandeffect" as mission, TFR commits to selling his products all over the world.

Lead by a manager with decades of design experience, our R&D team is on hand to handle OEM/ODM, We strictly implement the ISO 9001:2008 and get the German TUV Certificate. We adhere to "people-oriented, customer first, continuous innovation", and "professionalism".

Since 2009, we have changed our marketing strategy to looking for TFR Sole Agent. currently, we have 7 agents in the world, and the annual sales revenue is above 4.5million US dollars. Since 2011, we are looking for secondary agent in the world.

"One World, One Stage, One TFR" commits building world-famous brand as TFR's mission, high quality, good service and win-win policy as operation principle.
